THE JASON WINTERS STORY

A terminal cancer patient given just three months to live, Jason Winters refused major surgery and traveled the world in search of an herbal remedy. He achieved remission and shares his experiences for the benefit of cancer patients and others seeking to avoid this dreaded illness.

-
- Had terminal cancer in 1977 and given three months to live.
 - Traveled the world in search of beneficial herbs on three different continents.
 - With the assistance of H.R.H. The Prince of Wales and the Archbishop of Canterbury, he recovered completely.
 - Won awards from six foreign governments and the U.S. Congress.
 - Knighted in an ancient ceremony in Malta.
 - Over 13 million copies of Sir Jason Winter's book "Killing Cancer" have been printed.
 - His products are available in over 70 countries and used by people worldwide.
 - At 66 years of age, Sir Jason Winters discovered the Golden Lion Formula from India and became the proud father of two boys.
 - Has thousands of testimonial letters from satisfied people all over the world.
 - Has done radio, television and given lectures to millions of people worldwide.
 - Year after year thousands of people worldwide would gather at the Singapore World Trade Center and auditoriums in Malaysia, Thailand and Indonesia to listen to his inspirational speeches.
